PRESIDENTS REPORT – BY DAN GABBETT

The 2015/16 season was another successful one for Wests. We set some big goals at the start of the year, and while we didn't achieve all of these, we certainly ticked a lot off the list. We have enjoyed success both on and off the field and should be very proud of our season.

On the field we had 4 teams being 1 day champions, and those same grades being runner's up in the 2 day competition. We also had our A grade winning the T20 comp with a remarkable victory in the final as well as one of our teams winning the inaugural BCD T20. We also had over a dozen of our juniors play at least one game of senior cricket during the season which will benefit us for many seasons to come. And finally, we were club champions for the 3rd year in a row which is a great achievement.

None of these results would be possible without the leadership and support of our club executive and team captains. The hard work of Anthony Nunn, Gav Smith, Adam Quade, Jeff Neale and Len van der Linden has helped shape the success of Wests and we should all be extremely thankful for the time they have committed to our club. Our team captains have been vital in driving our culture and we have been very lucky to have Matt Jurgs, Rob Andrews, Des Steinberg and Len van der Linden as leaders over the last few seasons. They are guys who always put the club first and are men I am proud to call friends.

Our sponsors have once again been exceptional in their support. A massive thank you to Greg and Kerry Lawson for their continued support as our major sponsor, the club would not be in position we are without your support. Richard Bowly and the Southern Hotel has again been a major contributor in our success and we have really built a home at the Southern. Thank you as well to our other sponsors, BB Whitehouse (Ben Luther); Hip Pocket Workwear (Graham Strang); and Downey Engineering (Ross and Judy Leamon).

Cricket is a massive commitment and it would not be possible for our club to have enjoyed success without our player's having the support of their wives/partner's/family. This season was extremely challenging with mid-week games and Sunday games as well cutting into time normally reserved for family. On behalf of every player in the club I would like to thank all of those wonderful people who sacrifice time so that our guys can play the sport they love.

As I mentioned before, this season has been a challenging one I would just like to acknowledge the contribution 2 men in particular have made over the last 3 years but in particular this season. As President I have been lucky enough to have the constant support of Ross Leamon as Senior Vice-President and Brian May as club captain. Both these men have done so much for our club through their hard work but more importantly, they have shown our players what it means to have integrity, character and to have respect for this great game of cricket. By their actions, they have shown the players of our club what it means to be a man. To me, that is far more important than scoring runs, taking wickets or winning games.

Thank you to each and every player, parent and supporter who has been part of Wests this season. We have had a wonderful 3 years but we need to continue to try and improve and will be looking for some fresh ideas next season to ensure we remain strong and continue the traditions of this great club.

Ready, Tough, Together.

D GRADE BLUE WIZARDS (PRE CHRISTMAS) AND WOLVES (POST CHRISTMAS) – SEASON REPORT – BY DES STEINBERG

Well the 2015/16 cricket season has come to an end. And although it didn't finish the way we hoped, it was still a great season. At the start of the season I was asked to captain D grade, but once training started it was obvious we had enough players to have two teams, so I was to captain the WIZARDS and Len would take the WOLVES team.

So our season started with 10, 40 over 1 day games till Christmas. We started well with a good win, but then struggled a bit in a few games and wasn't able to make the Finals. But Len's wolves had a great first half and were able to win the Final. I would like to thank everyone who played for the Wizards in the first half of the season, your efforts and commitment are appreciated.

So to the New Year, and a new format (or so we thought). We only field 1 team in D grade in the New Year, mainly because of a number of boys in the club playing school boy cricket. We thought we would be playing 2 day cricket, but much to our surprise (and maybe some of the other clubs wishes) the draw was changed to 40 over 1 day games. And what a season we had, finishing the round games as Minor Premiers, and going straight into the Grand Final. But we were beaten in our last game by Railways who were starting to hit their straps. When Railways beat Diggers in the Semi Final it meant we would meet Railways in the Grand final. We hadn't played for 3 weeks, with having a bye in the last round and the Semi Final off, we were a bit short of match practice.

Come the big day we lost the toss and we were sent into bat, after a shaky start and being 2/12 Mitch Byrne joined me at the crease and we managed to make it to drinks and 20 overs, shortly after I was out at 3/83, but Mitch batted brilliantly and went on to make a solid 70 odd before being dismissed. The rest of the boys tried hard and we got the score to 170. Dave Reuter and Dave Solomon doing well at the end.

170 was a par score and we have won games with a lot less, but we just didn't turn up, we didn't bowl well and I probably didn't make some good decisions, but at the end of the day we were just beaten by a better team on the day, they passed us 2 down in the 33rd over.

Every player that played this season needs a mention, but I can't list them all here, thank you all. Graham Strang new to the club had a good season with the bat scoring an emotional 100 against Souths that will be with him forever. Rohan Deshle improved out of sight with the bat and had a good season with the ball, Sam Solomon improves every day, Kurt Young will play as high as he wants to, with hard work, Mitch Byrne as well, Tim Bowly is improving every day, Troy Lenz never give up mate, Dave Solomon always there, Dave Reuter my right hand man amazing person, and Cory Wecker what a bowling season you had keep working on those leggies mate.

Len thanks for all your help with my cricket etc. Personally I didn't have as good of a season as I should have, sorry for that fellas. To all my other club mates, maybe the last weekend didn't finish the way we wanted, but you're all winners in my book.

Hope to see you all next season.

DES STEINBERG. (CAPTAIN GRUMPY)

After stressing out the Vice President and President trying to fill two D grade teams in 2014/15 it was determined that Wests would only fill one D Grade for 2015/16. So it was with great trepidation that I approached Dan to tell him numbers are so good in D Grade that we should consider the possibility of entering two teams. Over my dead body was mentioned at the time. However due to a bye in D Grade it was decided to enter two teams prior to Christmas. The new look Wolves assembled for their first game. A great batting effort saw us fall 8 runs short chasing 231 an entertaining game that ended in darkness well after 6 pm. Despite this loss I was impressed with what I saw and this was proven as the Wolf Pack went on to win 6 games. With 2 washouts and 1 other loss the Wolves were rewarded with 1st place after 10 rounds and entry into the 1 Day final.

Giving the opportunity to junior cricketers to experience senior cricket has been the greatest reward as a captain. This year Wests have once again brought some promising juniors into senior cricket. They all took their chance and have produced some outstanding results. Adam Ryan built on his form from last year. Josh Eiser and Harry Cottle, produced quality cricket to show they have serious potential in the future. I also was impressed by the development of returning players who benefitted from training hard and leading the new players in the group. Kurt Young had a breakout season scoring an effortless 131 against Souths and followed this with a 5 wicket haul against Diggers. Mitch Byrne continues to develop as an opening batsman and always places a high value on his wicket. His work behind the stumps was also top notch. Rohan Deshle and Sam Solomon have also continued to develop their skills. They are now valuable contributors to the teams and I expect further development in the coming seasons. Anthony Levis shocked many with his results early in the season. He had the happy knack of getting early wickets with his subtle movement. Dave Solomon finally left the sidelines and joined the playing ranks. He always gave 100 % and was involved in some key partnerships and also got wickets when needed. Craig Berry was new to Wests and his experience was a value asset to me. Craig epitomises Wests values and I look forward to him coming back next season. Jeremy Haaksma also joined Wests this year. A seriously quick bowler who often was too quick for D Grade. Despite not getting early results, I was confident that he would get the results he richly deserved as the season progress. I was happily proven to be correct on this.

When the occasion required the U16's provide players to the Wolves. Thanks go to Jack Dent, Max Dent, Harrison Spanner, Howard Litzow, Toby Burt, Tallis Martin and Sam Neale.

With Dave and Sam being away at a funeral and Rohan overseas the one day final was contested with a team built around the U16's juniors. An inspired spell of bowling by Jeremy 4 for 11 off 8 overs saw Diggers all out for 115 in 32 overs. Kurt created a magnificent run out with his throw from the boundary via a direct hit. Toby Burt came on and quickly finished off any resistance with two wickets. Harry, Sam and Howard also grabbed wickets. Chasing the runs for the win we were anchored by Adam 40 no. We lost wickets steadily and were seriously concerned when Harry was felled by a beamer. Despite being shaken by this Harry returned to the crease with Adam and we were ahead on run rate 5/88 when rain stopped play after 20 overs. The premiership was rich reward for a great young team. The team had six U16's, 3 players under 21 and two "experienced" over 40's. The proudest part of this year is how many of these players are now proving themselves in higher grades. Adam, Mitch, Kurt, Harry, Josh and Jeremy all moved up and have contributed to their respective teams. Thanks again for a wonderful season.

Len van der Linden

D Grade Wolves (Pre-Christmas) 2016

Adam Ryan, Jeremy Haaksma, Kurt Young, Mitch Byrne, Len Van der Linden, Craig Berry, Sam Neale, Harry Cottle, Tallis Martin,
Howard Litzow, Toby Burt

Absent: Dave Solomon, Sam Solomon, Rohan Deshle

It's been another great season for the C grade fellas, unfortunately unable to make that final hurdle again in the Two Day GF but fighting till the end in the true Wests spirit and still claiming the One Day Premiership and finishing the season as Minor Premiers for the 3rd year running!

We did not lose a match in the One Dayers! We played a very attacking brand of cricket in this form with Billy Oakes, aka Bully Oakes, aka Billy May in rare touch with Josh and Aqeel chipping in with consistent runs we were able to post big scores and easily defend them with our big fast bowling openers Flip and Dale taking a lot of early wickets and Gecko finishing them off. Billy scored 271 runs at an average of 54.2, Josh scored 171 runs at a massive average of 85.5 and Acka totaled 158 at an average of 52.67. Our top bowling efforts were from Dale Hunt with 10 wickets at 7.8, Gecko took 9 with an average of 9.33 and Dan Mortimer 5 wickets with an average of 13.8.

In the Grand final we batted first against Uni with Aqeel scoring a great 124 not out and Josh playing a very mature innings of 74 to post a massive 256 runs from our 40 overs. Uni were never really in it and with some rain delay were eventually bowled out for 96 with Gecko taking a 5/37, our first C grade One Day title at Wests for 15 years.

In the Two Day format we were able to secure three outright victories during the season which was eventually the difference in us finishing at the top of the ladder and getting our 3rd Minor Premiership in three seasons. Billy was our top performer with the bat yet again scoring 550 runs at an average of 68.75, Acka scored 337 at an average of 48.14 and Gecko with 277 at 39.57. Our top bowling performers were Dale with 26 wickets at an average of 17.08, Flip with 24 at 14.33 and Gecko with 15 wickets at 12.27.

In the final we didn't quite bat to our potential and only scored 121 runs with a gritty knock of 35 from Quades the only batting highlight of the day. Never to back away from a fight though we got stuck into Uni and had them 7/111 but were unable to claim the last three wickets in time, Uni scoring 174. Dale claimed another 5 for but all the boys bowled extremely well. We scored quickly in our second innings with Gecko smashing 72 and Billy with 67 to set up a game. We had 46 overs at Uni to knock them over on Sunday arvo and with two quick wickets to Flip were hopeful of a good result but to their credit they were able to shut up shop and see the day out only 3 wickets down.

Shauny kept really well again this season with 25 dismissals and 5 run out assists. Big mits Flip took 15 catches, Gecko and myself took 11 and Quades with 10. Everyone contributed to the team and played a part in our results.

Some of our players were able to really lift a peg from last season which was great to see. Billy batted like an absolute demon scoring four 100's and three 50's, a season I'm sure he won't forget. Flip bowled a lot more overs this season and was rewarded well and there were some typical outstanding performances from guys like Dale Hunt taking a bag of wickets, Aqeel amounting a ton of runs and Gecko with his great all-rounder efforts.

I'm very proud of the way these guys played as a team, backed each other and left everything out on the field each and every match. Sadly Gecko lost his dad during the season but one thing that made me proud was how the club and our team rallied behind Gecko and Kimi. We were well supported again by Wests number one fan and 'Wests Warrior Queen' Kimi Dorge her support throughout the season was fantastic and whenever the boys needed a bit of a pick up or a laugh we could count on Kimi to provide. Thank you to Bobbie-Lee for your support putting up with the captain stuff and all the players partners for their support this season. To Dan and Rossco for all their work behind the scenes thank you and all the guys that subbed in too like Big Tal and Sam Neil. Thanks everyone for contributing to another successful and enjoyable season of C grade.

Rob Andrews – Captain

C Grade 2016

Back Row: Mitch Byrne, Dale Hunt, Aqeel Arshad, Adam Quade, Rob Andrews, Dan Mortimer, Josh Eiser, Andrew Solomon,
Shaun McMinn

Front Row: Paul Dorge, Bill Oakes, Denni (Flip) Martin, Toby Berrigan

Season 2015/16 was another great year for the B grade side. As per the last three seasons though we only walked away with the one day trophy and stumbled at the final hurdle once again in the 2 day grand final which still really hurts. Although we only got the one day trophy this year for the third year in a row i might add I'm so proud of the way we played as a side all year and dug in deep when times were tougher and things didn't quite go to plan, we found that little bit of extra energy just so we didn't let our mates down.

This season in B grade we had a very young side compared to previous years due to a number of retirements last season. It was a privilege to help guide and see these young players develop throughout the year. These young players are the reason for a lot of the clubs success and with them still developing things will only get better in years to come. Players like Scott Shultz who by rights should have had 50 odd wickets this year busting his guts over after over developing into our go to opening bowler and taking some extraordinary catches with his huge reach. Mark Burt developing as a top order bat and who held the innings together to give as a half descent total in the semi-final and then his bowling which when asked to come on and always takes a crucial wicket, never afraid to give the ball a bit of flight and take on the batsmen. Other young players like both Adam and Alex Ryan who played this year and did everything you asked of them to the best of their ability. It will be great to see these young players push to play higher grades in years to come. We had a couple other players come up and play b grade throughout the season and one of which who made a spot in b grade all his own by coming up from d grade earlier in the year to have three man of the match performances in a row to get us a few crucial wins in the backend of the season was Jeremy Haaksma. I had a number of comments from umpires and opposition players about his sheer pace and aggression. He was simply too quick for a lot of opposition batsmen. He was great to see him come up and play so well once adjusting to bowling on turf.

Although we had a fairly young side we also had a few more experienced players that helped me develop the younger players as well as myself as a player and a captain. Al Martin (Chong, Poppy) has been a huge influence on me this year more so than any other. The way he sees life and sport, his positive attitude and constant energy throughout the year on and off the cricket field has changed the way I look at things and I hope it has helped the younger guys in the side as well. It didn't matter what was happening Poppy was always there to lift us all up ENERGY, ENERGY, ENERGY as he would yell out from mid-off. He was always shaking your hand, patting you on the back trying to lift you. Unfortunately he is going onto bigger and better things next season but if we only take half his energy and positive energy with us as players through sport and life Wests will be in for a few more good years to come.

It was an absolute privilege and honour to captain the B grade side again this season. I'm so keen to get out there and make it four 1 day titles in a row and get that elusive 2 day premiership which we have falling just short for too many years now on winning. With the side I've had and the talent coming through the grades each season it won't be long until we finally lift that trophy. Wests run of success is a long way from being over and with us all missing out on the two day premiers we will all come back next season hungrier than ever.

GO WESTS.

Matt Jurgs – Captain

B Grade 2016

Back Row: Alex Ryan, Jack Loveday, Scott Schultz, Jake Gill. John Coveney, Shelldon Martin
Front Row: Matthew Jurgs, Al Martin, Gavin Smith, Glenn Perkins, Mark Burt

I think this season could easily be summarized as “The Year that Could Have Been”. Our Reggies team played some really great cricket, some solid cricket and then a few days of very ordinary cricket. Unfortunately, those couple of days of ordinary cricket cost us finals spots in 2 day and 1 day cricket. You could argue results of other games didn’t help us but at the end of the day if we had played to our ability each and every day during the season then we would have been in control of our own destiny and not have to rely on other teams results. Reserve grade is the breeding ground of our next crop of A grade players and one of our major aims was to ensure that the Senior guys in the team were teaching our younger guys how to play tough cricket – be patient when batting and put a price on your wicket, bowl tight lines and field well. When we look at the results of our younger guys who played some A grade during the year as well as the improvement of our entire squad, I think we can still consider the season reasonably successful even though we didn’t play finals.

We tied 1st in the One day comp after the fixture rounds but missed out on the final due to run rate and only missed the 2 day finals by 3 points. When we look at the team’s that played in the reserve grade finals we should be very hungry for next year as we have proven we can match or beat all 3 of those teams. We had some great batting performances including scoring 309 chasing 315 against Uni in round 1 as well as scoring 330 against Railways with the highlight being Ben Leamon’s maiden century. Watching Ben bat with such confidence in A grade later in the season proves the value in learning your game well in Reserve grade, knowing what works for you as a batsman and what doesn’t and then applying that in a higher grade. A summary of the season for each of our regular players is below

Scott Burt: Burty’s batting has been one of the finds of the season. His match saving 85 against Mets in Round 3 was a knock of great maturity and gave Scott a lot of confidence. He was our opening bat for the latter half of the season and I believe found a role that suited his game. A great guy to have around the team.

Anthony Nunn: Nunny is the glue that holds our team together. This season his batting was outstanding with his 95 not out against Railways a highlight. With 30 wickets he proved he is still the smartest bowler in the reserve grade comp while his slips catching is superb. Throw in the fact he packs an esky full of water bottles, has a first aid kit the envy of an ambulance officer AND pre-pulls a freshly made Pull-Apart for us then it’s obvious our team would be lost without him.

Luke Neale: In the second half of the season Luke was the leader of our attack and rose to the challenge exceptionally well. He is a very smart cricketer with no greater example of this being our 1 day game against Uni where they were 1/127 when Luke came on for his second spell. His bowling plan against a high quality cricketer worked perfectly and brought us back into the match to send us on to a great win. A future leader of our club which may prove to be a problem as he probably won’t give his younger brother a bat or a bowl...

Peter Schiekowski: Despite now being on the wrong side of 40 (and maybe 50!), Shush is still one of the most competitive men in our club. While he accepts defeat in the right spirit, he hates losing. In our first game of the season he showed our young guys what senior cricket was all about with a superb 91 to almost lead us to victory chasing 315. The fact he was more devastated about us falling 6 runs short of a win instead of almost getting a century proves what a great team man he is. Extremely happy that Jan Neale continued the tea break baking tradition Alexia Gabbett started 2 years ago.

Aidan Doolan: Went from our first change bowler in the first few games to the quickest opening bowler in reserve grade by the time he left for Grammar cricket duties. Doolo bowls great areas and showed in his couple of A grade games he is a genuine wicket taker. Rewarded with selection in the Qld Cricket Under 16 squad which was well deserved.

Dan Gabbett: Started the first game with an 80 and then managed to prove during the rest of the season what a fluke that was. Did take some unique slips catches and showed the young boys what athleticism really means with one catch in the covers. Having Will and Burty in the team meant he didn’t get to bowl as much as he probably deserved

Donovan Spanner: Donovan showed on several occasions the amount of shots he has. Was disappointed to get out several times after good starts but his last knock against Mets showed what he is truly capable of when he gets going. Worked hard on his wicketkeeping throughout the season and took some great catches, especially once he realized our 1st slip was unlikely to catch anything. Recovered very quickly from Schoolies week (still too early Donny??)

Ben Luther: Our international jetsetter Lex may be considering retirement but showed on a couple of occasions he still has plenty to offer our club. A move down the order reaped rewards with his knock against Uni in the second half of the season showcasing his cover driving ability. Also showed he is still a quality wicketkeeper whenever he stood in for Donovan and took some excellent catches at mid-off during the season.

Mark Twyford: Bounced back to being the bowler we know and love during this season with his 5/20 against Diggers a highlight. Bowled really well when he hit the deck hard and hates batsman, exactly what you need in a fast bowler. Every team needs a Mark Twyford – he's competitive and gives 100% but also provides some wonderful entertainment, especially when he is giving opposition players batting tips.

Jake Gill: Started the season in D grade but was in Reserve grade by season's end and proved he well and truly belonged. Bowls great line and length and an excellent fielder. A player of the future for Wests

Will Skene: A huge turner of the ball for an off-spinner, Will is a genuine wicket taker. Unlucky at times to not pick up bag fulls of wickets. Showed on several occasions he is a quality batsman and has the ability to bat in the top 6. Took some absolute screamers of catches in close and off his own bowling proving that it doesn't pay to let Will think about things too much. Common consensus is that he is well and truly punching....

Ben Leamon, Shaun Montgomery, Dylan Shaw, Jacob Sommerfeld and Matt Humphreys: Played several games for us during the season but showed during these games why they are valuable members of our A grade squad – they were a class above. Ben's 120 and Dylan's 80 against Railways were batting highlights while a couple of hard hitting 40's from Taffy showed what he is capable of doing. Chook and Doolo formed an opening bowling combination that will be a force to be reckoned with in A grade in years to come. Thanks also to **Nathan Ciesolka, Kel Samulesen, Joel Beveridge, Mark Dorge and Dan Litzow** for their guest appearances during the year

Dan Gabbett (Captain)

Reserve Grade 2016

Back Row: Jake Gill, Donovan Spanner, Luke Neale, Dylan Shaw, Scott Burt, Will Skene
Front Row: Matthew Humpheys, Peter Scheikowski, Dan Gabbett, Anthony Nunn, Nathan Ciesolka

After two successful seasons, the season of 2015/2016 was always going to throw up its challenges. Could we continue to emulate the performances of the past? The team was comprised of the majority of the premierships squad, but due to injuries and unavailability we welcomed a few new additions including; Matt Taffy-Doggy-Dog Humphries, Jacob Sommerfeld, Aiden Doolan, Donovan Spanner, Dan Anderson, Luke Neal, Will Skene and Scott Burt.

We started our pre-season early and played four invaluable trial matches.

Again the competition was split into three separate formats of T20, One day and Two day Open cricket.

T20 Comp

Thursday and Friday nights saw the return of the T20 competition, something we all thoroughly enjoyed, and we certainly looked forward to defending our title.

Our first match was against Mets, and we produced a solid batting performance. But, it was our bowlers who showed they were far too strong and led us to a comfortable win. We again gained confidence and belief by starting another campaign with a win.

A loss in our next match v Northern Brothers Diggers, a win v Railways and a win against Lockyer had us in the race for a finals berth. Our last two games against Uni and Souths were both washed out, but we would still progress into the semi-finals where we would play Lockyer. In the semi-final we won the toss and batted, playing well throughout the innings and made a more than competitive total of 3/114. Our bowlers again did the job and bowled Lockyer out for 72 and send us into another final against Brother Diggers. The boys were all thrilled to be playing in a final.

The final was a cracking game with us batting first and making a total of only 88 which was a solid total considering we were 2/0 and then 3/29 off 11 overs. We knew we had to take early wickets and hope that runs on the board would create some pressure. Brothers Diggers come out hard and tried to be aggressive, getting off to a solid start but continued to lose wickets throughout the innings. We again showed our fighting spirit and found a way to take wickets at crucial times, and hung in the match long enough. We went onto win by seven runs. It was a great result for the team who showed plenty of fight, not only in the final but throughout the whole competition. The boys were extremely happy with winning the trophy for the second time in a row. A big thank you must go out to all of the supporters. It was fantastic to look up on the hill and see so many Westies. I know it helped to lift us at vital parts of the match.

Standout performances in the T20

Batting

	M	In	Runs	30's	50's	HS	Average
Brian May	6	6	213	2	2	57*	71.00
Zac Beveridge	5	5	119	-	1	56	39.67
Chris Gillam	6	6	112	2	-	45	18.67

Bowling

	M	Wick	Overs	M	Runs	3WI	Av	S/R	Best
James O'Donohue	6	9	19.5	2	78	1	8.67	13.22	3/14
Daley Martin	6	8	20	1	86	1	10.75	15.00	3/12
Shaun McCarthy	6	5	14.3	3	57	-	11.40	17.40	2/6

One Day Comp 50 Over:

This year would see the competition change to a 50 over style and see each team play each other once with the top two teams go into the Final. If we were to challenge for this season's title we needed to improve significantly in all areas. Our season started off well with a good win over arch rivals Brother Diggers. We gained some good momentum and confidence and continued on our winning way with another win over Uni; this win was a great team effort and set us up for a finals spot. Game three saw have another win against Railways and book a spot in the final with one game left to play against Mets. Unfortunately we lost this match, but it was a promising effort, and everyone who played that game walked away with increased confidence knowing we can push for the one day title.

The final was played against Mets and having played so much cricket over a short time, there was a chance of fatigue setting in, but the team responded in a way I would never have imagined.

We lost the toss and were sent into bat, and from that moment we started to work our way into a commanding position. A great opening partnership laid the platform for the following batsman to cash in and play ourselves into a strong position of 3/234 off 50 overs with Chris Gilliam shining with 101.

Bowling had been our strength over the past few seasons and we had to be at our best to restrict Mets. We started well, and continued to hang in and take key wickets at crucial times. Our fielding was of the highest order and Mets were bowled out for 118 giving us back to back one day titles. A great team effort with significant contributions from both bat and ball throughout the whole one day competition

Standout performances in the One Day Comp:

Two Day Comp:

Heading into the two day competition this year we had the extra pressure of being the defending premiers. We started our campaign with a solid draw against Brothers Diggers. Then, after a brilliant bowling performance we beat Uni convincingly and went onto record another strong win against Railways. The last game before the Christmas break against Mets was rain affected and ended in a draw, which left us in a strong position heading into the break.

After Christmas we produced a solid team win over Brothers Diggers and although undefeated, we still were not at our best. Our next two matches would prove to be crucial in where we would finish the regular season. We faced Uni and rain prevailed with the match ending in a draw, seeing us heading into another important game v Railways. A big win here would almost guarantee a top two finish and maybe another minor premiership and a path straight into the Grand Final. We managed to get ourselves out of some early trouble to go on and beat Railways outright, and with a few other matches going our way it put us into a great position to finish the season as Minor Premiers for the third consecutive season.

Unfortunately, the last regular game against Mets saw us perform poorly and we were beat convincingly, but we still managed to finish in first position and gain the minor premiership, and head straight into the Grand Final.

Brothers Diggers beat Mets in the semi-final and would face us in the season decider.

We decided to bowl after winning the toss, believing that the wicket would help our bowlers gain some early momentum. After a poor first session we toiled hard for the remaining part of the day and eventually bowled Brothers Diggers out for 192, with all the bowlers chipping in.

All was required now was to either bat out the following day and hang on for a draw or chase down the runs required. Our batsman struggled throughout the entire day, never really getting on top of a disciplined bowling attack. Every batsman achieved a small start but unfortunately no one could go on and get a score that was needed to see us win the game. We were eventually bowled out for 129.

Although we didn't win, it was another great squad performance with everyone doing their job and helping the team succeed at various times throughout the season.

The season was built around playing as a team and knowing what every individual player's role was. Our batting again showed some more improvement with all players putting a value on their wicket and working

hard when out in the middle. I believe if we can continue to improve in this area we will be even harder to beat in the future.

Our bowling and fielding was of a high standard, but teams are now more aware of our capabilities so we will need to improve again to be successful. All our bowlers bowled a great line and length and built pressure from both ends which resulted in wickets. Our fielding again improved so much and some spectacular catching and a number of great run outs throughout the season played a huge part in our success.

It was so pleasing to see numerous team members playing rep cricket throughout this season. Having so many players challenge themselves at a higher level will help our development and assist Wests in the future.

To Shaun McCarthy, congratulations on selection in the South Queensland team and further congratulations on representing Queensland Country. Well done to Daley Martin on his selection in the Queensland Indigenous Team.

A strong sense of appreciation is felt by all towards Dan Gabbett, our president. Dan, you have done a wonderful job and I really appreciate all the help you have given me and the team this season. So much of our clubs' success over the past three seasons is due to your hard work and organisation.

I would like to thank Phil, our team manager who contributed every week running the drinks for us, and to Clayton, who selflessly gave up his time to score; the team appreciate the time and effort you both put in and our success was yours also.

We were fortunate enough to have Alan Hill work with our side again this year. Having Alan to run drills and coordinate training sessions certainly took a lot of pressure off me & I believe lifted our quality of training. I would like to thank you Alan for your invaluable time and effort; we all appreciate it & hope to see your continued involvement with Wests.

To all of the families and partners for coming out every week to support us, it's been a very long season but you are also an important and appreciated part of our extended team.

Last, but not least, I must thank my wife Jodie, for without her none of this could have happened. I am very thankful for her unwavering support, giving me the time and space to fulfil my role within the club. It can't have been easy to looking after little Henry every week, but she never complained and was always there for me.

To all the players, a huge thanks for your commitment, effort and friendship. This season saw different challenges and most of the time saw us come out on top. Again we played our cricket hard but fair and had some fun along the way. It's been amazing past few seasons and I have made some memories that will stay with me forever. To achieve what we have achieved is a tremendous effort.

Brian May

Standout Performances in the Two Day Comp:

Batting:

Open

A Grade 2016

One Day Premiers

T20 Premiers

2 Day Minor Premiers and Runners-Up

Back Row: Daley Martin, James O'Donohue, Dylan Shaw, Nick Gabbett, Ben Leamon, Chris Gillam

Front Row: Matthew Hallas, Shaun Montgomery, Shaun McCarthy, Brian May, Zac Beveridge, Matthew Humphreys

Matt 'Matty' Hallas – It looks like Matty has found his calling as an opening bat. He began opening in the limited over formats, and seamlessly transferred this into the 2-day format late in the season. Enjoyed a highly successful rep cricket season opening in Plunkett Cup, scoring most runs for the side. Was a ball magnet in the field with 12 catches and 4 run outs. Celebrated his 50th A Grade game for the club in the T20 final. Needs to improve his banter to become a well-rounded cricketer. *Banter Status: Shanter*

Nick 'Slothy' Gabbett – If you look up the word commitment (or sloth) in the dictionary you are likely to see a photo of Nick Gabbett. He was always the first player to put his hand up to take charge of off field jobs such as raffles or covers. Nick was also a lively presence in first slip. If he wasn't having chances snaffled by Gillo, he was offering up "catch assists" to whoever wanted one. One of the best shadow batsmen ever seen. *Banter Status: Rookie*

Dylan 'Rhythm Dyl' Shaw – Sadly work commitments made it difficult for Dylan to be available for the majority of the season. When he was playing Dyl's vibrant enthusiasm always made the team lift, whether in the field or his ridiculous banter in the change rooms. Became a force to be reckoned with as a net bowler leaving several bruises on many of the boys. When given his one opportunity in a game, he did not disappoint..... 2/8 (5)! *Banter Status: Extreme*

Brian 'Terry' May – Another prolific season for the 'Bush Bradman' amassing an astonishing 897 runs. As a leader he once again excelled, leading the team to T20 and 1-day premiership victories. Celebrated his 100th A Grade game for the club early in the season. Needs to transfer his net bowling status into the middle after a paltry bowling strike rate of 204... Created a group chat for the team supposedly for important messages, but immediately turned into banter - naturally! *Banter Status: Novice*

Zac 'Bev' Beveridge – At only 18 years of age this season was one of great maturity for Bev. He scored second most runs for the team with 373 runs at an impressive average of 41.44. Zac's brilliant year was capped off with a patient 45* in the 2-day Grand Final, which showed just how much of a batting force he already is. His handy off-spinners had the ability to change a game at any time. Selected in the U19 Qld Country Merit side for the second year in a row. *Banter Status: Pleasant*

Chris 'Gillo' Gillam – A remarkable year for Gillo behind the stumps with 47 dismissals and some of the greatest leg side catches seen! Loves playing on the big stages and proved this with an extraordinary ton in the 1-Day final. Celebrated taking his 100th A Grade dismissal behind the stumps in the same game and a mighty fine TV interview to top off a memorable day. *Banter Status: Work in Processes*

Ben 'Sachin' Leamon – Great to see Benny playing club cricket again after a year away. After a couple of Sachin-esque innings' in Reggies, he made his way straight back into A Grade. He dominated many bowlers with punishing cover drives. Even took the odd dismissal behind the stumps when needed. Celebrated his 50th A Grade game for the club in the last regular 2-day fixture. Surprised us all by admitting he is a big fan of a Saturday afternoon Rom-Com. *Banter Status: Picture-esque/Word-esque*

Shaun 'Magnum PI' Montgomery – A team man in every sense of the term, it was great to see Monty play an entire season without work commitments. Enjoyed being in the thick of it and this showed with a hard fought 69* against Brothers in the first game of the season. Shone with the ball in the 1-day format claiming 7 handy scalps. Would be ready to bowl in the 2-day format from the 8th over, but would usually have to wait until the 68th. *Banter Status: Wizard*

Matt 'Taffy' Humphreys – Taffy was our third overseas player at the club and by seasons end he was number one in our hearts. His energetic nature was infectious to everyone that met him. Ensured he played plenty of cricket in his time here and was an integral part of the Cavaliers Plunkett Cup side. Was keen to get involved in everything he could, whether it was on or off the field, and especially if it included banter! We hope to see him back again one day soon. *Banter Status: Involved*

Shaun 'Love Guru' McCarthy – A successful year with ball in hand for Shaun taking 39 wickets. This included celebrating his 200th A Grade wicket before Christmas. He knows how many wickets Nunny has and is coming for him... Gained selection for a third time in the Qld Country side. Was the envy of every male for his romantic 'Love Challenge'. They tried to tease him about it but they were all just jealous. *Banter Status: Consistent*

James 'Remaaaaaax' O'Donohue – Jimmy really excelled in the T20 format this season, claiming 9 scalps of his 21 wickets this season. His lightning quick spells terrorised many batsman, especially those foolish enough to bat without a helmet! Celebrated his 100th A Grade wicket in the T20 Semi Final. Enjoyed his role of pinch-hitter in the shorter formats of the game, battering bowlers towards the end of the innings with outstaaaaaaanding results. *Banter Status: Modest*

Daley 'Mr Daley' Martin – Daley's first full season in A Grade and by seasons end he had every batsman's outside edge quiver in fear. Took a highly notable 28 wickets for the season. Rep accolades kept coming this season for Daley as he made his Rep debut

for Toowoomba Cavaliers, and played his third season in the Qld Imparja Cup side. Always had an entertaining story or two about the kids at school. I would recommend he doesn't wear his onesie for book week though. *Banter Status: Most Improved*

Jacob 'Chooka' Sommerfeld – Wests warmly welcomed Chooka after his decision to travel from Chinchilla to play for the club. He quickly moved from Reggies to A Grade, took 3 wickets in his first game and never looked back. Finished with 22 wickets for the season and will only improve in the years to come. Proved to be a very handy Number 11 (the best in TCI he will tell you), showcasing some memorable last wicket stands. *Banter Status: Classic*

Alan 'Hilly' Hill – Labelling Hilly as a 'coach' simply wouldn't do him justice. The amount of time he has taken to assist Brian with training sessions has been extraordinary. All the players have appreciated his sessions, in particular his interactive fielding drills and tireless efforts helping batters techniques. Couldn't keep him out of the action whether he's throwing on the pads to show our boys a thing or two about patient batting, or getting amongst the antics of Mad Monday. He was and always will be another one of the boys. *Banter Status: Zen-master*

Special Guest Appearances

Dan Anderson – 7 games, 7 wickets, 1 yellow card...

Luke Neale – 7 games, 5 wickets, 1 T20 premiership...

Will Skene – 3 games, 2 wickets, 0 catches...

Aiden Doolan – 2 games, 5 wickets, 1 great catch (I've been told)...

Scott Burt – 1 game, 1 win, 100% success...

Anthony Nunn – 1 game, 1 day sitting back watching our boys bat, 0 umpires dragged through stumps...

Donovan Spanner – 1 game, 1 mistake (letting Monty call runs)...

John Cleary – 1 game, 1 wicket, 1 vicious bouncer and 1 slightly damaged helmet...

WEST'S TEAM SONG

I.....WAS.....,

Standing on a corner when a copper said to me!

If you're one of those West's boys, you'd better come with me!

He grabbed me by the shoulder & he tried to run me in,

I clenched my fist & knocked him stiff & then began to sing!

WE ARE THE WARRIORS, WE ARE THE TEAM!

WE CAN'T BE BEATEN, THAT'S EASILY SEEN!

AT THE END OF THE SEASON, YOU'LL KNOW THE REASON

WHY WE ARE THE PREMIER TEAM!

Our Culture - What We Do

On the Field:

Ready:

- We train for matches.
- We work on our weaknesses and build on our strengths.
- We plan and practice strategies to defeat opponents.
- We arrive at games on time and ready to play.

Tough:

- We put a high price on our wickets.
- We are focused and relentless.
- We make the most of our chances.
- We respect opponents, officials and the game.
- We NEVER give up.

Together:

- We support each other at all times.
- We wear the club playing strip.
- We support other teams when we are able.
- We celebrate each other's success

Off the Field:

Ready:

- We put the right people in the right jobs.
- We complete jobs on time.
- We plan and implement strategies to support our players.
- We always strive to improve the club.

Tough:

- We make and enforce tough decisions when they are needed.
- We speak honestly and openly with each other.
- We NEVER criticise the club to outsiders.

Together:

- We support and respect each other.
- We support our sponsors.
- We make links with current, former and future players and supporters.
- We wear the club supporter's colours.
- We support teams when we are able.
- We celebrate as a club when play is over.
